Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collection:

Form DS- 6561 is designed to succinctly collect appropriate and current medical information about an individual in order for a medical provider to make a determination as to whether a federal employee or contractor or eligible family member will have sufficient medical and educational resources at a diplomatic mission abroad to maintain the health and safety of the individual or family member. It is designed for all non-Foreign Affairs Agency employees, or their eligible family members.

Methodology:

The information collected will be collected through the use of an electronic forms engine or by hand written submission using a pre-printed form.

Behzad Shahbazian,

Director of Clinical Services,
Bureau of Medical Services,
Department of State.
